

GradFin

GradFin now offers comprehensive **student loan, credit card, car refinance, and mortgage loan** education and solutions for our clients. GradFin provides clients with free one-on-one consultations and a wide-ranging platform of banking options in order to save thousands of dollars over their loan term.

STUDENT LOANS

- GradFin student loan experts will analyze borrowers' loans and provide repayment and refinancing options for their federal and/or private loans.
- GradFin borrowers save an average of \$40K over the term of their loan with choices from a variety of fixed and variable loan terms between 5 to 20 years.

CAR REFINANCE

- GradFin works with multiple banks to find the lowest rates in the industry. Reducing interest rates on your car loan can result in significant savings opportunities.
- GradFin takes the time to compare your current loan with a new loan and provides a clear understanding of your cost savings so they can make a clear decision.

CREDIT CARDS

- GradFin consults with borrowers to determine if your credit cards are satisfactory, if a new card would better suit your lifestyle, or if you don't have a card they'll introduce you to industry leading starter credit cards.
- Qualifications vary between cards, so utilizing GradFin's multi-card platform assures you're always presented with the most options, every time.

MORTGAGE

- GradFin has partnered with a nationwide mortgage broker to offer you some of the lowest market rates available. Clients access GradFin's mortgage partner and their platform for refinancing and loan origination.
- GradFin Reps work with you individually to determine your potential eligibility for a lower or more suitable mortgage loan.
